## MY Philosophy Of Motivation in Research (POMR)

A proven track record as an outstanding MOTIVATOR to Colleagues:

- Playing an active part in the collaborative working of the college's Pedagogical Leadership Team and contributing to the process of strategic pedagogical planning.
- Playing an active part in the Inter Collaborative Planning of colleagues.
- Teaching a designated subject specialism and in other areas as agreed from time to time.
- Excellent communication and presentation skills.
- Enhancing performance by motivating and developing staff, helping them acquire the skills to prepare for more senior roles.
- Meet with teachers, dorm parents, parents and administrators for collateral information and teaming.
- Be available for consultation with staff and administration.
- Respond to emergencies outside of school hours, including evenings and weekends.

### A proven track record as an outstanding MOTIVATOR: -

- Efficiency to tackle teenage issues with expertise and judgement.
- A commitment to "personalising learning" for all students in the college and High schools.
- Willingness to work hard.
- A friend and Mentor for students in terms of positive attitude, high levels of commitment, constructive communication, high standards of behaviour, and appropriate dress.
